dobreniecki.sarah@epa.gov [1:31 PM]:

Morning David. How are you? Can you please email me a copy of the most recent aldicarb assessment? I can't get into the apps right now. I'll go ahead and read through the tox and drop in/edit the working version you sent around yesterday.

nadrchal.david@epa.gov [1:32 PM]:

Sure, I'll send that right away.

dobreniecki.sarah@epa.gov [1:32 PM]:

Awesome. Thanks!
